PROFILE SUMMARY

I began my journey as a Web Developer through a 9-month comprehensive course, where I developed a strong foundation in front-end technologies and gained hands-on experience in real-world projects. I further specialized in web development through an additional 9-month course focused on HTML, CSS, Bootstrap, jQuery, and JavaScript.

WORKING EXPERIENCE

NS Infosoft
Web Developer

June-2024 - April-2025

I am a dedicated Web Developer with a strong foundation in front-end development. I completed a 9-month comprehensive course, followed by a 9-month specialization where I gained hands-on experience with HTML, CSS, Bootstrap, jQuery, and JavaScript. I enjoy building responsive, user-friendly websites and writing clean, maintainable code.
